

Where God guides, He provides

1. *"What's one thing we bought this month that we could have done without?"*

- God owns everything (Psalm 24:1). When we hold money loosely, we remember it's a tool, not a treasure.

2. *"How does it feel when we give something away instead of keeping it?"*

- "It is more blessed to give than to receive" (Acts 20:35). Generosity turns ordinary money into an act of worship.

3. *"What's a money worry you have right now, and how can we pray about it together?"*

- "Do not be anxious about anything... present your requests to God" (Philippians 4:6). Trust grows when we bring money fears to Him as a family.

4. *"If we had an extra \$50 this week, how would we use it to help someone?"*

- Little acts of generosity matter. Jesus noticed the widow's two small coins (Mark 12:41-44).

5. *"What does 'enough' look like for our family?"*

- "Godliness with contentment is great gain" (1 Timothy 6:6). Contentment frees us from the endless chase for more.

6. *"Who has been generous to us recently, and how can we say thank you?"*

- Gratitude multiplies joy. Every good gift comes from above (James 1:17).

7. *"What's one way we can save money this month so we can give more later?"*

- Saving isn't selfish—it can be a plan for future generosity. "The wise store up choice food and olive oil" (Proverbs 21:20).

Where God guides, He provides

8. *“How do we decide together when something is a need versus a want?”*

- Seeking God’s wisdom first keeps money from becoming a master (Matthew 6:24, 33).

9. *“What’s a time when trusting God with money was hard, but He came through?”*

- Remembering past faithfulness builds present trust. “The Lord is my shepherd; I shall not want” (Psalm 23:1).

10. *“How can our family practice generosity this week in a small, everyday way?”*

- Generosity is a habit, not just a big moment. Start where you are—God multiplies the mustard-seed gifts (Matthew 13:31-32).
